EDUCATION

Holy Angel University — **Angeles City, Pampanga**

Tertiary | GPA: 1.17 | President's Lister — 2023 – Expected 2027

Holy Angel University — **Angeles City, Pampanga**

Secondary | With Honors — 2017 – 2023

EXPERIENCE

Clark Development Corporation — **Clark Freeport Zone, Pampanga**

Intern — June 2026 – October 2026

- Co-developed and tested the HR InternTracker web system using HTML, CSS, and JavaScript, resolving web portal errors and implementing automated printable form generation.
- Diagnosed server room network outages and restored department connectivity by replacing faulty switches, crimping RJ45 cables, optimizing workstations, and configuring shared network printers.

Hububble 數位轉型顧問公司 — **Taipei, Taiwan**

Intern — Sep 2025 – Mar 2026

- Designed and developed a new company website, creating user interface layouts and visual elements aligned with company branding.
- Assisted in coding, testing, and optimizing website functionality to improve user experience and ensure responsive performance across devices.

Code Geeks — **Angeles City, Pampanga**

Staff — 2024 – 2026

- Participated in organization meetings, workshops, and department-sponsored activities to support professional and technical development.

PROJECTS

HAU Ecoquest

- Developed a gamified MERN-stack web application featuring user profiles, achievement systems, community engagement, and administrative management tools.

Danono's Doughnuts and Brownies

- Designed and developed a responsive café website, showcasing products through an interactive interface aligned with brand identity and user experience best practices.

FoodSaver

- Developed a digital barangay platform that enables community members to share surplus food, promoting resource accessibility and reducing food waste.

CERTIFICATION

- CompTIA IT Fundamentals+ (ITF+) Certification | CompTIA | 2023
- AWS Academy Graduate - Cloud Foundations - Training Badge | Amazon Web Services Training and Certification | 2026
- JavaScript Essentials 1 & 2 | Cisco | 2024 & 2026
- HTML Fundamentals | FreeAcademy.ai | 2026
